FOR THOSE WITH PARKING PASSES...
As we begin a new season at M&T Bank Stadium, we want to remind you of our tailgate parking policies and provide you with safety tips for your tailgate party.

• Your parking pass allows you to park in the designated lot. Parking passes must be displayed at all times on vehicles parked in lots. **Tents and pop-up tents are not permitted.** Keep drive aisles clear at all times.
• If you and others wish to tailgate in a group, we advise you to enter the parking facility together so that your group will be parked together. Once in the lot, you may not reserve spaces for late-arriving members.
• Parking passes entitle the holder to one parking space. Adjacent spaces may not be used for grills, chairs, etc., unless you have an additional parking pass for that space.
• Early-Bird parking is available along the perimeter only for the first 2 hours after the lots open, or until full. Afterwards, spaces will be assigned one section at a time. Fire lanes must be maintained at all times. Be prepared to move if an emergency vehicle needs access.
• Signs and/or commercial signage are not allowed to be displayed. Utilizing the parking privilege for commercial purposes is not permitted.

OVERSIZED VEHICLES:
In an effort to better serve you, we have addressed the issue of safety with the Fire Marshall as it relates to RV and Camper parking. We have been permitted to allow RV and Camper parking on Lot G and H, with the understanding that if guest safety is compromised in the view of the Fire Marshall, we will have to alter our procedures for RV and Camper parking.

The following terms and conditions must be adhered to for RV and Camper parking on Lot G and H:
1. RVs and Campers must arrive to the lot no later than 3 hours prior to game time or entry to the lot will not be permitted. No refunds will be issued at that point. You will be responsible for finding alternative parking.
2. Guests must possess two (2) parking passes in order to park an RV or Camper in the designated RV and Camper area. If you do not possess two (2) parking passes, you will be required to purchase the second pass for $35.00 at point of entry to the parking lot.
3. The designated area is located on the South perimeter of the lot only. ALL RVs and Campers must fit entirely within a 9’ x 18’ space. This area does allow for vehicles to hang over onto the sidewalk.

TAILGATING:
• Cooking is not permitted within two (2) feet of vehicles.
• Charcoal Cooking: Use self-starting briquettes only. No lighter fluid is permitted. Always use fresh coals.
• Propane Cooking: There is a twenty-pound tank limit. The canister must be mounted to grill assembly.
• Fires are not to be left unattended! Discard used coals in red barrels located in the lot. All fires must be contained and operated in a safe manner at all times. Do not place hot grills under your vehicle to be used later. The Ravens reserve the right to revoke tailgating privileges of individuals who do not comply with all the above terms and conditions of use.
• Open burning in Baltimore City is prohibited. Recreational fires, outdoor fire pits and the use of any combustible or flammable liquids in a container or open space as a fuel source is prohibited.
• The fire code official is authorized to order the extinguishment of open burning that creates or adds to a hazardous or objectionable situation.

The Ravens and Central Parking Systems want your tailgate experience to be safe and enjoyable for all. Please contact our Guest Services representatives at 410-230-8017 or Central Parking at 410-347-9330 if you have any questions.
AREA PARKING GARAGES AND SURFACE LOTS
